ITPI - 100% MADE IN ITALY CERTIFICATE

/ EN Born in 1976 from the vision and the enthusiasm of who used to breath, every day, the culture of hight quality furniture. From the Province of Treviso, a manufacturing district of excellence, located in the Noth-East of Italy, Armony embodies the idea of a craft kitchen that becomes very soon a successful brand.

/ IT Armony nasce nel 1976, dall'immaginazione e dall'entusiasmo proprio di chi ogni giorno respira la cultura del mobile di qualità. Dalla provincia di Treviso, distretto produttivo d'eccellenza del nord est d'Italia, un'idea artigianale di cucina diventa presto un marchio industriale di successo.

/ FR Armony est née en 1976, de l'imagination et de l'enthousiasme de ceux qui respirent chaque jour la culture du mobilier de qualité. Originaire de la province de Trévise, zone de production d'excellence du nord-est de l'Italie, une idée d'artisan de cuisine devient rapidement une marque industrielle à succès.

40 YEARS OF EXCELLENCE

AN ITALIAN SIMPHONY

/ EN The pleasure of a kitchen conceived to welcome emotions, generate wealth, designed to last. At the heart of Armony' s design conception there are, functional spaces and conviviality. Looking for shapes that represent contemporary life-styles that express through each model the beauty of Italian kitchen comfort, dynamism and freedom of movement.

/ IT Il piacere di una cucina disegnata per accogliere emozioni, generare benessere e durare nel tempo. Spazi funzionali e socialità domestica sono al centro della progettualità Armony. La ricerca formale interpreta gli stili di vita contemporanei per esprimere in ogni modello la bellezza della cucina italiana: comfort, dinamismo e libertà di movimento.

/ FR Le plaisir d'une cuisine conçue pour accueillir les émotions, générer du bien-être et durer dans le temps. Les espaces fonctionnels et la vie sociale domestique sont au cœur de la planification d'Armony. La recherche formelle interprète les modes de vie contemporains pour exprimer la beauté de la cuisine italienne dans chaque modèle: confort, dynamisme et liberté de mouvement.
